# Offline and Online Class

Training for Internal Coaches and Coaching for Individual & Team can be delivered in offline and online class

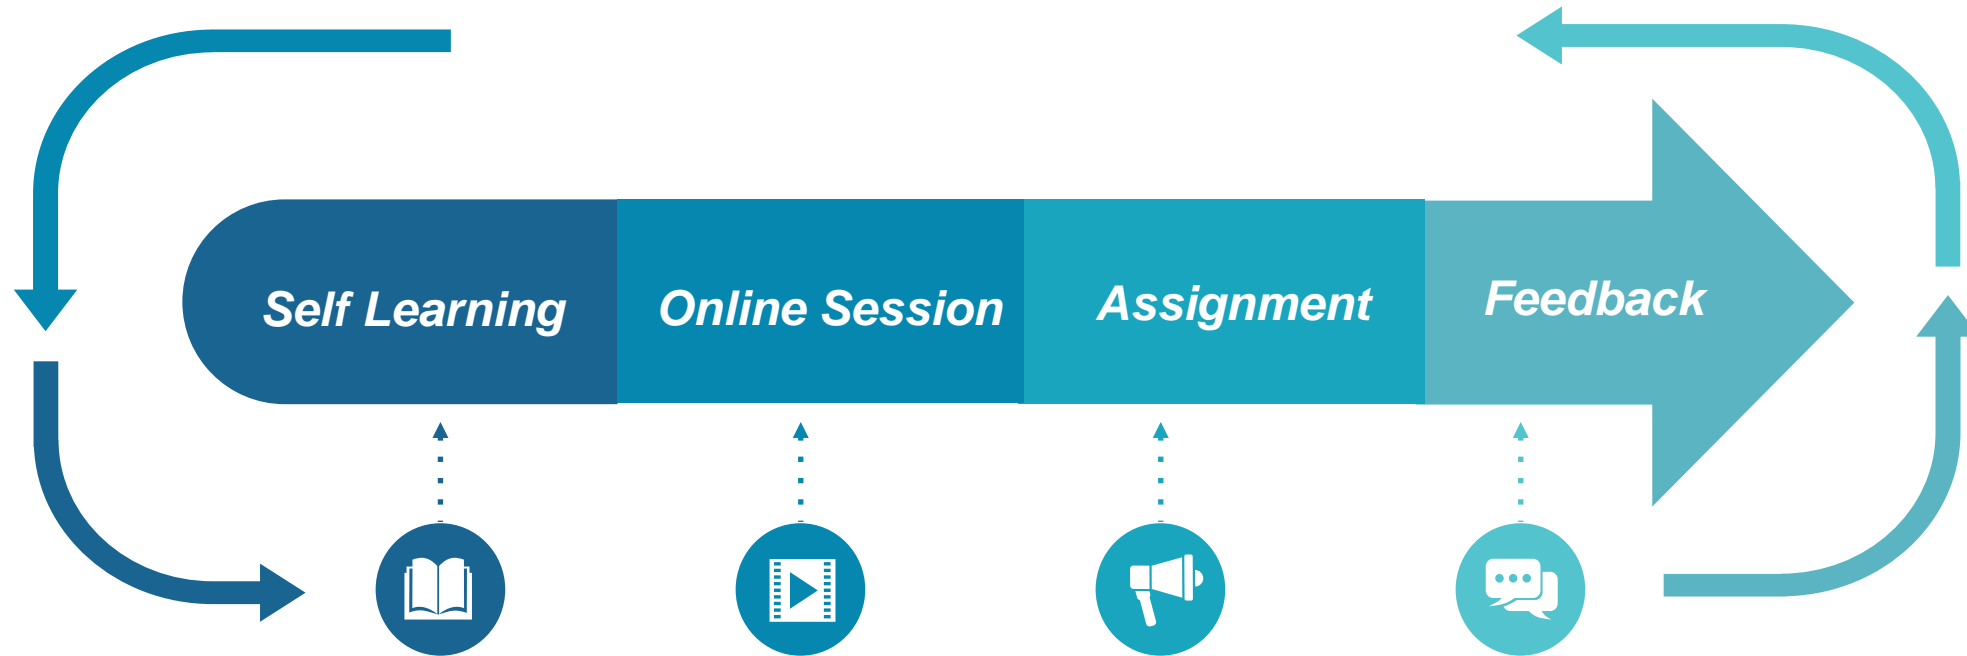

# Offline and Online Class

# Online Class Program Design

Self learning is needed as a learning optimization strategy due to time constraints in online classes. Participants are given material in the form of ebooks and videos that can be downloaded for independent study.

Interactive learning online using Zoom. Online classes are conducted in 4 sessions with a duration of 120 minutes per session

Deepening of the material through the assignment of individuals and groups whose implementation is monitored systematically and periodically

Participants get comprehensive feedback through WhatsApp group each time the assignment is completed
